Creating Athletic Opportunities...Together

Grant MacEwan University challenges our student's personal growth by providing them with high quality instruction, programs and services, giving them a successful start that will benefit them for a lifetime.

Student athletics make numerous sacrifices to compete at the intercollegiate level and your contributions assist in providing the support needed to run a quality competitive program. Your donation will provide benefits to the sport you choose to adopt by helping to cover team expenses such as travel, game day meals, equipment and uniforms.

All contributions of \$25 or more will receive a tax receipt.
